Dear Ginnie and Ernie,

Enjoyed your nice letter and most appreciate your thinking of us again with regard to the Festival. Actually, I was in Los Angeles last Friday and Saturday and noticed in the newspapers that the Festival was just opening. I had hoped at least to give you a call, but the program I was on never let up for air. I am afraid that, although we are going to go to Association this year, the schedule doesn't permit us to do anything but come straight back. We really appreciate your thoughtfulness, however.

I'd be pleased to see Steve Marcks and Eric Tyler while they are in Washington. Have them call [redacted] and ask for [redacted] and we will set something up.

Your asking me to say hello to Mother makes me realize I have been remiss in keeping you posted. Mother passed on early last February. Everything was going very well for her and she was quite happy. Her departure was totally unexpected and just about instantaneous. We miss her but know she is doing well. Thanks for asking about her, however.

It has been too long since we've seen you. We hope that there will be an opportunity again one of these days. Best from us both.

Yours,

STANSFIELD TURNER

Mr. and Mrs. Ernst Hoffman
